EXPRESS YOURSELF

ArtWalk

Enjoy the public art displayed in Uptown Columbus by interacting and interpreting each piece. Select six art objects from the list provided, then download the free app "Otocast" to begin your narrated self-guided tour. The app provides a map with each art object and its location. Once you find each of the art objects, respond to them in the space provided on the back of this form. Let the art inspire your inner creativity - respond with a quote, thoughts on the object, a phrase or even draw a picture. Once completed, visit the RiverCenter, Columbus Museum, Iron Bank Coffee Company, Nonic, or Synovus Uptown Center and place your form in the ArtBeat drop box. Participants who complete and turn in this form by April 22 will be entered to win one of the following prizes: gift certificate to Houlihan's; gift certificate to the Cannon Brew Pub; tickets to the Springer; tickets to the RiverCenter. Be creative and have fun. Happy hunting!
