About the cover:

## "Splash" by Gabrielle Garley

13th Street South & Broadway

Gabrielle Garley grew up in New Orleans, Louisiana with three generations of artists, "Art is a part of my family and my soul". She began her studies at Atlanta Metropolitan College then transferred to CSU, College of the Arts, with a focus on sculpture. Garley places emphasis on the aesthetic experience and the process of creation. Her paintings and sculptures are a visual manifestation of her experiences. Using formal artistic elements such as scale, form, tactility, and color harmonies she allows her work to reflect the aesthetic experience and indulge in the process. She creates each piece by engaging in the creative possibilities inherent in certain materials. Manipulating and transcending the materials in a reactive, sometimes playful manner allows the work to morph and grow from the original idea. It is the ambiguity of the end result of each piece that intrigues her.

Entertain, Educate, Engage ... Share!

Based on the success of the First Edition of an Artbeat Coloring Book in 2016, we decided to publish the Second Edition in 2017. Once again, it is a book for everyone! Enjoy!

We hope many will post their finished coloring sheets to our Facebook page **Artbeat of Columbus** and our website [artbeatcolumbus.org](http://artbeatcolumbus.org). It will be fun to see the creative interpretations of these pieces of the Arbeat Walk. You can also print additional copies of each page from our website.

Special thanks to Jessica McDaniel, a recent graduate from CSU, for the creation of these coloring pages.
